WHY OOMI?

Chad G

"We had a fantastic trip to Japan in Aug 2022 and every detail was taken care of by Oomi Travel (UJT). The App was super useful and the team helped us everyday and we never felt lost. It was like having a guide in our pockets."

Rick L

"Unique Japan Tours did a DYNAMITE job with our trip to Japan, October 2022. First, they negotiated the fluid restrictions imposed by Japan government to allow tourists to visit, and us to see our daughter studying in Tokyo. Second, we were completely prepared at every juncture of our trip from arrival to departure, airport pickups, trains, hotels, baggage checks, personalized guides and right down to the correct bus/bus stop and bus queue in Hakone. Their use of Vamoos with all of our travel information was equally brilliant. Thanks so much for your genius Darina and UJT team! Couldn't recommend Unique Japan Tours enough. They are a superlative travel company."

Day, J

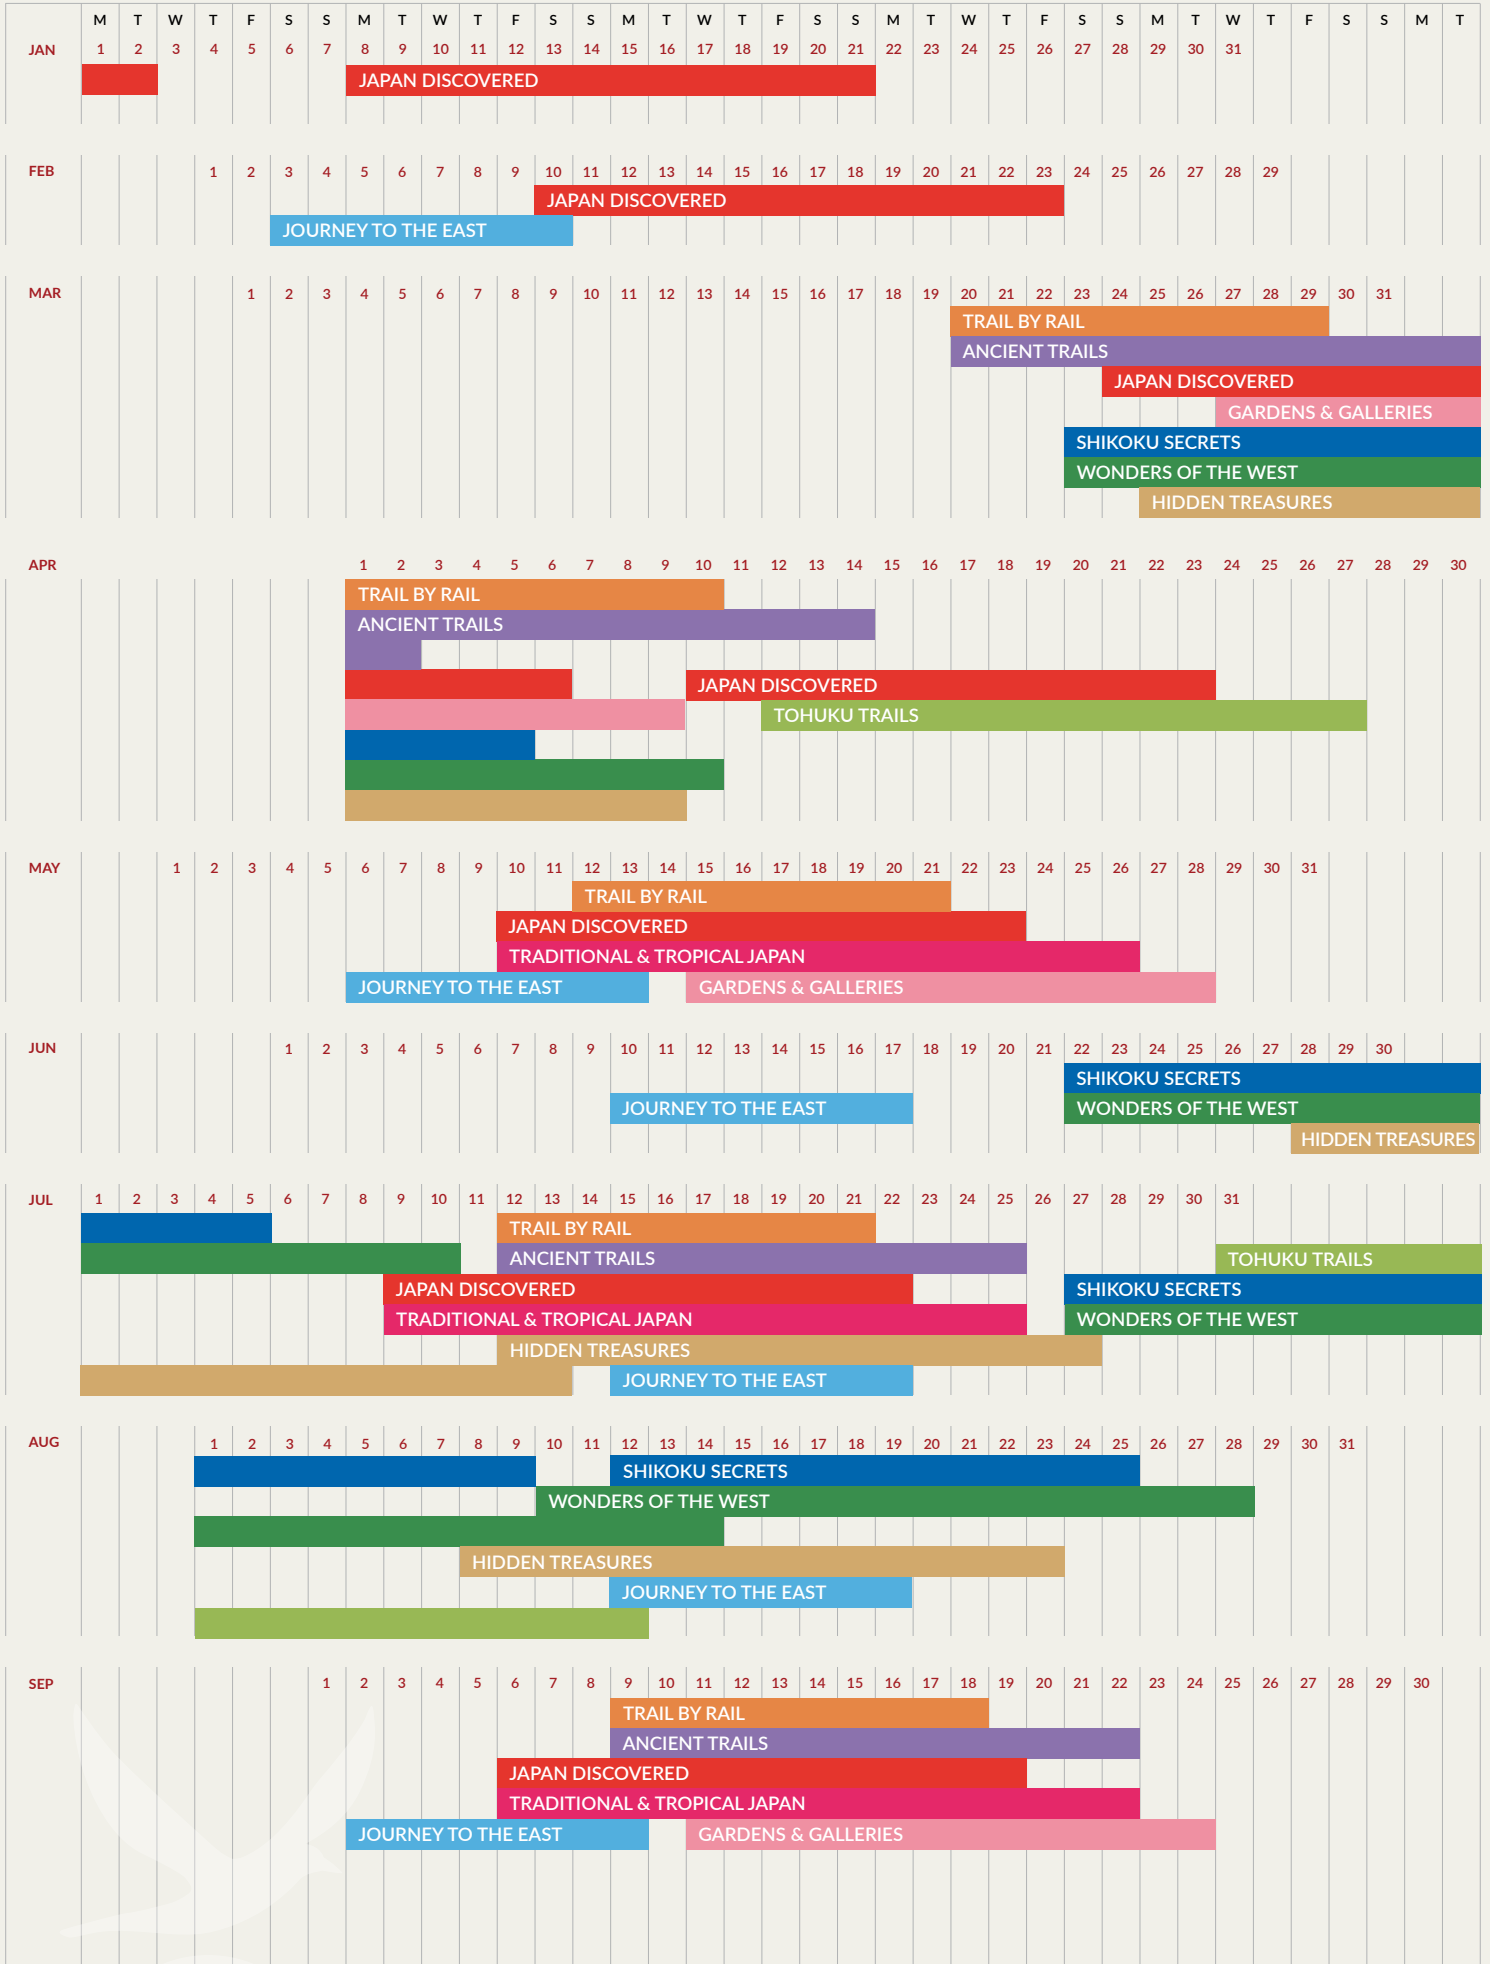

"We booked our honeymoon via Unique Japan Tours and I cannot recommend them enough! They tailored the trip to suit our requirements and found us some gorgeous places to stay which I very much doubt we could have found by ourselves! Everyday we were also provided with a very detailed itinerary with suggestions on places to try and step by step guidance on how to get there. It was brilliant!"

SMALL GROUP TOURS SINGLE SUPPLEMENTS

SMALL GROUP TOUR HOTEL LISTS

The hotels we use on our small group tours will be announced before you submit your final payment. Any hotel listed on website or literature is subject to change. In the event we cannot secure the hotels listed, we will provide a similar category hotel in each location.

FLIGHTS

You are required to send us your E-ticket as soon as you have your flights booked. Transfers cannot be arranged without a copy of your E-ticket.

MINIMUM NUMBERS

Tours listed are limited to a maximum of 12 guests. If you have more than 12 guests wishing to join any tour, we will create a bespoke group tour for you. The tours listed are priced based on a minimum number of 6 in a group. Groups with less than 6 guests will be operated as planned, with the exception of having a full-time tour leader. Instead, you will have additional local guides and assistants at each point – almost like having a private tour.

TRAVEL INSURANCE

It is a condition of travel that each tour member obtains their own up to date travel insurance to cover medical, cancellation or accidental costs. If you are a resident in Ireland, we can include Travel Insurance in your booking.

SPENDING MONEY & CASH

Japan's currency is the Japanese Yen. We recommend you have a minimum of ¥50,000 (€400) per person in cash at the start of your tour. You can withdraw cash at ATMs in cities but don't expect easy access to cash when leaving the major cities. Not all ATMs in Japan will accept foreign credit cards. However, Post Office, major banks, and convenience stores usually have an ATM which you can use.

LUGGAGE

When taking a bullet train on any of our small group tours, we will arrange to send your large suitcase from one hotel to the next. One suitcase per person is included. If you wish to send extra luggage in this way, you will be asked to pay locally. Depending on where we are sending your luggage to/from, you may need to pack an overnight bag. So, it is essential you have a smaller bag to pack a one or two night stay while your large case is en-route. A small backpack or in-flight suitcase will work (up to 10kg).

CLOTHES

Check the climate and temperature before you leave and bring clothes to suit the season. Japanese weather is very predictable so it should not be a problem planning your wardrobe. Wear layers if going into mountainous regions as the temperatures can drop when leaving the city.

TIME

A common surprise to most travellers is the punctuality of services, especially the trains. It is advisable not to do a quick errand 10 minutes before your train leaves - they will not wait. If your train is due to leave at 11.11, you should aim to be at the station for 10.50. This gives you time to find your platform and location to wait to board your train. The bullet train will arrive at 11.11 and leave 10 seconds later so there is really no time for wasting, rushing, or getting lost.

JAPAN RAIL PASS

Many of our tours include a Japan Rail Pass. It is up to you to ensure this is not lost. If you lose this, your train journeys must be paid for on the spot and no refunds will be available.
